

Family CARE Child & Adolescent Mental Health Symposium

Purpose

The 2007 Child & Adolescent Mental Health Symposium: Together We Can Do So Much, will bring together local, state and national leaders to discuss evidence-based practices and current issues related to the mental health of youth and families in our community.

Emphasis will also be placed on community of care principles, school-based services, juvenile justice, education and child welfare.

The Saturday Conference is designed for parents and youth, with an open invitation to professionals.
